Chairperson Season Summary

This season we have had a couple of new additions to the Crowborough Hockey Club facilities. The first being, the rebound box. This has a better first touch than half our club, it passes the ball back every time, its consistent, always in position and never misses training. You could say, it's better than most of us! However, this is not the only new addition. We have had a coffee van at the pitch on Saturdays, thank you to The Little Dough Company you have made the season warmer on the side lines for sure and cheered us up in the rain! But the newest addition is our new Dug Outs! They have been in the making all season and are now finally on the pitch to be used during games. I would like to thank our sponsor KICM unlocking potential, and Harry Hook and his team for building them. Hopefully they are a step forward for keeping our kit and players dry.

Our young Umpires have given up so many Sundays in the pouring rain to umpire for Sussex and have just been awarded their Sussex hockey county colours. Thank you and well done to the following:

Harvey Holman
George Lawson
Bethany Burns
Isla Bysouth
Sophia Sharp

A massive special thanks needs to go to our Club Umpires, without them volunteering their time your games would not go ahead. I would like to thank each and every name written below, there are a lot of names never enough!! So thank you, but it is not just the umpires we need thank.

A big thank you has to go to Crowborough Social Club for making our teas each week, letting us have our social evenings there and becoming our new home. Thank you.

But all of the games, events, training etc would not be possible without our lovely Committee.

Our Committee is made up of 13 individuals who give up their time each week, every week of the year to make sure this club runs. Without these people, we would not have a booked pitch to play on, umpires secured, social media posts, invoices paid, DBS checks in place, newspaper articles, training, Dinner Dance. The list goes on. Below are all the committee members from the 2025/26 season:

Lucy Smith
Hilary Brown
Justin Singleton
Amanda Catling
Bethy Catling
Harry Hook
Josie Mitchell
Keren Loder
Kate Baxter
Vicky Dennett
Sam Williams
Sam Chick

This season been an incredible, thank you.

A BIG WELL DONE TO THE TOP GOALSCORERS FROM BOTH THE MEN'S AND WOMEN'S SIDES OF THE CLUB, AND TO THE GOALKEEPERS FOR THEIR CLEAN SHEETS WHICH ARE JUST AS IMPORTANT AS THE GOALS.

ALSO A SPECIAL MENTION TO WILL HOOK WHO SCORED 7 GOALS IN 1 GAME THIS SEASON. I'M PRETTY SURE THAT HAS GOT TO BE A RECORD AT THE CLUB. INSANE WORK!

WOMEN'S 1'S

TOP 3 GOALSCORERS:
KATE BAXTER - 20
NIKKI CHURCHWARD - 8
AMANDA CATLING - 7

This season has been fantastic for our Women's 1's with them finishing in 6th place! They have welcomed fresh talent like Tilly Singleton, Poppy Cureton, Flo Fuller, Meg Shaw, Tabbi Cater, Jess Ikeson, and more recently Matilda Whitney and Lottie Currie. The season kicked off strong with two draws and a win in the first three games, but then the team faced a challenging run with some unlucky results. They broke the streak with a 3-2 victory against Middleton in November, though a few narrow losses followed. However, they ended the year on a high note before Christmas with a hard-fought 1-1 draw against Lewes. After the winter break, they came back even stronger, winning three consecutive games, boosting team spirit, and maintaining great teamwork and effort throughout the season. While not all results were in our favour, the team secured enough points to stay in the league and showcased some impressive hockey. The standout moment has to be the 1-0 win over Brighton and Hove 3's with a flat 11, an unexpected but incredible victory. Well done to Sam Williams who captained the team to many victories this season with the help of coach and vice captain Amanda Catling, what a great team they make! Also a huge thanks to all the supporters who cheer the ladies on every week, including the Jolleys, Fullers, coach Charlotte Richardson, Caroline Webb, Sarah Mercer, Marcus Cater, Sharron McGinley, and all family, friends, and club supporters!

MEN'S 1'S

TOP 3 GOALSCORERS:
OLLY YEOMAN - 23
CAMERON MCCABE - 22
HARRY TURNER - 19

Our Men's 1's have had an incredible season this year! After earning promotion last year, their goal was to make it two in a row. With that in mind, they welcomed back key players like Greg Surrridge, Cameron McCabe, Angus Donaldson, Harry Turner, and Mitch Hawksbee, all ready to don their orange tops again! From the very first game back in this league, the boys knew it would be a tough challenge, but instead of backing down, it only fueled their desire for promotion even more. Opponents underestimated them, but that just made their victories even sweeter! They scored an impressive 99 goals throughout the season, including big wins like the 8:3 victory over East Grinstead early on and the 9:1 triumph over Brighton & Hove. They secured either first or second place quite early, but that wasn't enough—they were aiming for the top spot. It all came down to a nail-biting final game against East Grinstead, a first vs. second showdown. With the crowd behind them and plenty of skill on display, it just wasn't their day. We won't know for a while if they've secured promotion again, but they can definitely hold their heads high! Going from newly promoted to fighting for promotion again is a huge achievement, and we're incredibly proud of the boys.

WOMEN'S 2'S

TOP 3 GOALSCORERS:
EVE TAYLOR - 15
JOSIE MITCHELL - 15
LOTTIE CURRY - 12

The Women's 2's have had an amazing season, led by the fantastic Josie Mitchell, they claimed the top spot in Martlets Division 3 after several years at this level. With a reshuffle of teams this season, many talented young players were brought into the squad, supported by a solid core of experienced adults. From the start, they were determined to achieve promotion, delivering a series of impressive results. The second half of the season proved more challenging, but the resilient team gave their all every week to deliver the goals and points! A standout moment was their 9:0 victory against Eastbourne 3's - a thrilling match for spectators and even more fun for the players, all of whom wore big smiles! Josie Mitchell and Eve Taylor topped the 2's scoring charts with 15 beautiful goals each. Goalie Tilly Singleton cannot go without a mention as she kept the team in a lot of games and did a cracking job at securing the team's promotion. Sadly the team are losing Eve Taylor, Hannah Walker, and Meg Shaw next season as they will be heading off to university, but they won't be escaping without returning for a game whenever they're back in Crowborough. Best of luck to them in all their adventures, don't forget about us! Finally we are very excited to see how the Women's 2's settle into their new league next season! I'm sure there are many more successes to come for them!

MEN'S 2'S

TOP 3 GOALSCORERS:
HAMISH MARR - 29
WILL HOOK - 27
ROHAN MILNE - 17

The Men's 2's have had an incredible season, netting an impressive 139 goals, which has kept me busy tracking all the goal scorers! They have had numerous high-scoring matches, including a 12:3 and a 10:0 win against Brighton & Hove, as well as a 14:2 victory over Eastbourne. In Jethro Hook's first season as captain, he's done an outstanding job leading the team to numerous victories and an incredibly successful season. They finished 2nd in Martlets Division 3 and they have now been awarded promotion which is a well deserved reward for all their hard work. Well done to Hamish Marr who scored an impressive 29 goals across the season and is the Men's overall highest goalscorer, very closely followed by Will Hook with 27 goals. The team have spent all season building on their team chemistry and maintaining strong teamwork, we hope they can bring this into next season when they play in the next league up. This is very exciting for this group of guys as they will get to play higher level hockey against teams they haven't played before, we can't wait to see how they do!

WOMEN'S 3'S

TOP 3 GOALSCORERS:
FI VON-HINTEN - 7
MEG SHAW - 7
LIBBY HAMILL - 7

The Women's 3's have had a strong season, they have focused on building depth and raising standards to support the Women's 2's in their promotion push, while keeping the emphasis on enjoyment and development across the squad. Despite results not always reflecting their efforts, the team showed great resilience and teamwork, with steady improvements and a number of closely contested performances throughout the season. Well done to the team for their efforts and to Fiona von-Hinten for leading the team from strength to strength this season. We can't wait to see what they can bring next year!

MEN'S 3'S

TOP 3 GOALSCORERS:
IAN EASTON - 9
GEORGE LAWSON - 6
NATE POTTER - 6

The Men's 3's This season may not have been a season of promotion or relegation for Men's 3's but they maintained the league position well. They also won more games than last season and every single one of them have improved week on week. A big thank you has to go to Elijah Fuller for stepping up and captaining the team this season, he has been very supportive and clearly loves the Crows! Here are his top 3 moments quote on quote.

1. George's beautiful tomohawk goal alongside numerous disallowed short corner goals for smacking it top bins, please learn to drag flick!
2. Harvey's last minute winner which may have gone through the roof of the net!
3. Got to be a certain Lewis going on about how phenomenal he is at hockey. In particular his injecting on short corners. Then for his only attempt to be described as a snail could move up the pitch quicker.

What a great season it has been for the Men's 3's, we look forward to seeing what they can achieve next season!

WOMEN'S 4'S

TOP 3 GOALSCORERS:
BETHANY BURNS - 3
VICKY DENNETT - 3
CHARLIE OWEN - 2
KAREN SHIER - 2

The Wonderful Women's 4's have enjoyed a very successful season, bringing in some fantastic young talent such as Phoebe, Hannah, Amelia, Lexi, Sophia, Isla and Willow from the girls' development squad, along with new additions like Karen and Ellie. They give their all on the pitch every week and are always welcoming and supportive to newcomers. A standout moment this season was their recent 1:1 draw against Southwick, a tough, physical match, just the way the team likes it but a very deserving and well earned point. They've faced some close, tough losses, so finishing 10th doesn't really reflect the energy and skill they bring every week. But that doesn't bother the ladies, they're all about enjoying some fun hockey and sharing a good pint afterwards! A big thank you to Sarah Mercer for captaining the team this season even when she suffered an injury early on! It is appreciated more than you know!

BOY'S DEVELOPMENT

What a season it has been for the Boy's Development team! If there is one word to describe this year, it's resilience. They quickly became the "comeback kings" of the league. It became a familiar sight to see the boys trailing at half-time, only to come out in the second half looking like a completely different side. By embracing a high-tempo, passing game, they transformed into a goal-scoring machine that few defences could handle once they found their rhythm. Beyond the scorelines, the most rewarding part of the season has been the individual and collective growth. The improvement from week one to now has been vast, and it has been fantastic to see our new players integrate so seamlessly. Finally, a massive thank you to the parents. Your support on the sidelines, often in less than ideal weather, has been incredible.

GIRL'S DEVELOPMENT

The Girl's Development team went from strength to strength this season. The post Christmas home run of fixtures saw results and performances soar. There were some notable victories and highlights including a play offs draw with Lewes and a series of wins versus Tunbridge Wells. Every person in the squad played a crucial part all season and they have created such a lovey environment for the girls. Thank you to Vicky Dennett and Sarah Mercer for stepping up to help coach the girls across the season because if they didn't help out then this team would not have been able to play each week. It will be amazing to see how these girls play next season as they are such a strong group and have so much potential.

UMPIRES

Thank-you to the huge number of people (they are all listed) who have umpired this season, giving up their own free time to make sure others can play hockey. There has been great performances all round and our umpires have been calm and consistent when making decisions. As always if you are interested in umpiring then please contact us as we are always appreciative of any help, no experience is needed.
