# BOY'S DEVELOPMENT

## Summary:

The Boy's Development Team have had a few ups and downs so far this season with a few big losses but have worked well as a unit and have encouraged each other to keep going. Their attitude has been very positive and they have had a few great wins too. They have been some great individual performances but have worked well as a team and have started to gel nicely, we hope they carry this on in 2026.

# GIRL'S DEVELOPMENT

## Summary:

The Girl's Development Team have improved with every game so far this season, becoming more of a unit and adding bite and tenacity to their skills and drive. They have been competitive in every game with any loss being by very narrow margins. They concluded the first half of the season with four wins in the Tunbridge Wells Christmas festival. Thank-you to Vicky Dennett for coaching Girl's Development for the first half of the season, we look forward to Sarah Mercer taking over and continuing the teams progression with a great link up between the development team and Women's 4's.
